January 2013

EVENTS

- 13th Jan:** Rebellion Knoll W.I. : "Christmas Meal" at "The Rising Sun"
15th Jan: Historical Society AGM: Methodist Hall - 8pm
18th Jan: Village Meeting to discuss the revised Newburgh planning proposals: 7pm in the Methodist Hall
25th Jan: Carnival Committee meeting: Methodist Lounge - 7:30pm. Help needed! (or no Carnival in 2013)

THANKS

I'd like to thank everyone for their kind thoughts, cards and presents on the occasion of my 70th birthday.
 Rosemary Shaw

CHRISTMAS TREE

We send thanks this year to Alex at Dore Moor Nursery for donating the village tree, and also once again we thank our village "do everything, be everywhere" man, Reg Davies who sourced and installed the tree on Beggar's Plot, helping to make Bradda Brighter in these dark winter days.

BRADWELL JUNIOR SCHOOL

The school would like to employ a Midday Supervisor to help look after the children at lunchtimes. You would need to be over 18 and available between 11.50 am and 1.15 pm each school day. The hourly rate for a Midday Supervisor is currently £6.38. We aim to recruit someone who has a caring attitude towards children and who will become part of our dedicated and supportive staff team. The school is committed to the safety and protection of its pupils, so the successful applicant will be asked to complete a full DBS (formerly CRB) check as well as a medical form. If you would like some more information on the role, please contact the Head Teacher, Mrs Kim Attwood, on 01433 620473.

POOL TOURNAMENT

On Friday 14th December the u12s/u14s junior football teams had a pairs knockout pool tournament at The Shoulder. Jack Tanfield and Ben Ollerenshaw defeated Sebastian Bradbury and Thomas Stopford in a close final. Lyn kindly supplied everyone with chip butties and a great evening was finished off with a darts knockout. Samuel Cooper and Jack Tanfield were the winners and a great night was had by all. A big Thank You once again to Lyn and staff for their hospitality.

BRADWELL CARNIVAL - IMPORTANT MESSAGE

Everyone in the village will know that Carnival has been the village's main annual event for many years, providing entertainment for villagers and visitors alike and bringing in trade for local organisations and businesses. This event has always been organised by a small group of dedicated volunteers, who have done what it takes to make Carnival happen. This year, and for a variety of reasons, some of the group are unavailable. Without enough people it will not be possible to organise a Carnival and Bradwell Carnival will join the growing list of dying village traditions. We therefore need a couple of people who can donate a few hours of their time to help organise and run the event. Please note that this is not a casual enquiry. **If no-one comes forward to help there will be NO CARNIVAL in 2013.** If you think you might be able to help and would like more information please either send a mail to Bradda News, call the Parish Clerk on 620329 or come along to a special meeting we are holding at 7:30pm in the Methodist Lounge on 25th January. You can also contact us through the 'Bradwell Carnival' Facebook page. Please help Save Your Carnival!

GRIT BINS

It's time for your annual reminder that the grit bins, located throughout the village, are placed there to be used for gritting roads and public footpaths. The grit is **NOT** to be used for private driveways or footpaths.

POTTERY ON YOUR DOORSTEP

Villagers might not be aware that Geoff and Pat Fuller who run the 3 Stag's Heads pub at Wardlow Myers are potters of some repute. During December they have been holding an exhibition of their work in their gallery alongside the pub. If you missed it and have some Christmas money left over, why not pop in and take a look. You can call 01298 872268 any afternoon or evening, pop in to the pub from Friday evening to Sunday evening or visit their website at www.geofffullerpottery.co.uk

SEND US YOUR NEWS

The views expressed in this Newsletter are not necessarily those of the editorial team. Please send news by e-mail to: bradwellnews@yahoo.co.uk or paul@paulandliz.org. Or call Paul (623941), Vanessa (623053) or Carol (621425). You can also leave hand written copy at the Post Office.

PARISH COUNCIL NOTES

New Councillor: We now have two applicants for the council vacancy. If you would like to add your name to the list please contact the parish clerk on 620329 prior to 8th January, when interviews will be held.

Internal Auditor: The council's long serving Internal Auditor, Gillian Knowles has resigned. Council are hugely grateful to Gillian for her help and support over many years. It was decided to meet with a small number of alternative, recommended local accountants before deciding which to engage.

Contract for mowing the Playing Fields: The 2012 contract was awarded to a Tideswell business and it has gone well. Council decided to award the Tideswell company a new, three year, staged price contract in order to lock in the costs for the coming three years.

Parish Plan to Neighbourhood Plan: Cllr Granger continues to monitor all developments associated with the Localism Act and with the Parish Plan. Council also noted that the application to PDNPA to designate the Parish of Bradwell as a "Neighbourhood Area" has been received and will be issued for a six weeks consultation period from mid January. The Neighbourhood Area designation is an early step in the establishment of a Neighbourhood Plan.

Youth Club: The Youth Club continues to run satisfactorily with around 15 attendees per week. A Christmas disco was held on the last session before the Christmas break. An interview for the vacant Youth Leader position was held before Christmas and it was decided to appoint the candidate. The Youth Club plans to re-open on 10th January and then to run up to the Easter holiday. There are presently no plans to re-open again after Easter until the start of the autumn term.

Christmas Decorations: Council agreed to fund, install and decorate a Christmas tree on Beggars Plot, obtaining additional lights as required.

Caretaking: In addition to his usual duties, the Caretaker has made extensive repairs to the wire fences around part of Town Bottom playing field and has also tidied up some of the trees on Beggars Plot playing field.

Playing Fields: It was reported that all regular inspections and maintenance were being satisfactorily carried out. Future options for the former British Legion site are still being explored and will be reported to council as and when appropriate. This matter will be included on the agenda for the Annual Parish meeting on 7th May. It was decided to accept an offer of £100 from a resident for the old roundabout from Town Bottom playing field. No progress was made with the proposal to install a Skate Park as the grant application to Sports England still has not been decided.

Road Closure: The latest development with the DCC plan to close the B6049 at Brough to facilitate water main renewal was discussed. As a direct result of council intervention, DCC has now decided to defer the road closure until June when adverse weather should not compound the problems with the

road closure and will reduce the possibility of the village being cut off by inclement weather.

Part Night Street Lighting: The DCC consultation on its proposals to switch off selected street lights between mid-night and 05:30 a.m. was considered. It was decided the Clerk should write to DCC seeking to clarify the justification for switching off some of the lights and also to seek an extension to the consultation period because of the late delivery of its letters to residents.

DDDC Matters: DDDC Cllr Furness updated council on the latest position regarding the performance of the new contract for domestic refuse collection. He stated that Serco, the new contractor, now expected to resolve all problems with these collections within three weeks.

ADULT COMMUNITY EDUCATION

Most courses at Hope Valley College start week beginning 7th January 2013.

MONDAY: Painting & Drawing - Bolt on Maths - Computers - Creative Pottery - Creative Textiles - Fitness Circuit Plus - French Improvers - Mentoring, NCFE Award - Fly tying, Improvers - Welding & Wrought Iron work - Welding City & Guilds levels 1, 2 & 3 (day & eve). - Woodwork Workshop.

TEDDY BEAR CLUB

Many thanks to everyone who bought raffle tickets and attended the Teddies pre-Christmas coffee morning in November. We raised almost £500, with which we are very pleased. Some of the money paid for the children's Christmas party; the rest will go towards the annual summer trip to Chatsworth and replacing toys and equipment as needed. The party was a great success, made all the more special by a visit from you-know-who. Teddy Bears are Bradwell's group for mums, dads, carers, babies and toddlers. We meet during term-time on Tuesdays and Fridays from 9.30am to 11.30am in the Methodist Hall, opposite the White Hart. We charge £2 per family per session, which includes refreshments for the grown-ups and children. For more info, contact Colette on 623838, or 07835 800477

THANKS

The Hobson Family wish everyone a Happy New Year! We would like to thank you all for your support after Nathan's accident. Nathan has made great progress which wouldn't have happened without the support of his friends.

BRADWELL ALLSPORTS NEWS

Fun Football Coaching sessions are being run for boys and girls between 4 and 6 years old. The sessions have been designed to introduce children to the exciting world of football through structured, yet fun sessions. Children will have a ball each for the majority of the session, learning skills such as dribbling, passing, shooting and more. Adult involvement is welcomed and sessions are led by fully qualified coaches who have undergone a CRB check and have completed child protection and first aid training. Cost is £18 plus £3 membership fee (first session free) and the sessions are being held on the MUGA on 11th, 18th, 25th January and 1st, 8th, 15th February from 4:45 to 5:45pm. Call or text 07805 473202 or 07967 991265 for more information.

On the same dates and at the same times there will be multi-sports sessions for children aged between 4 and 12 years. Sports include tennis, hockey, basketball, tag-rugby, dodge ball and athletics, and again adult involvement is welcomed.

BRADWELL SPORTS CLUB PRESENTS Norman Whiteside

NEWS FROM LAFARGE

At the final meeting of the Lafarge Community Liaison Committee, before Mittal take over the works, manager Ashley Bryan gave an insight into the structure of the new company which has been formed to manage the various assets it will acquire from Lafarge/Tarmac on January 7th. The new company will be named Hope Construction Materials (HCM) and will encompass not only bulk cement production but also quarries, aggregates and 170 ready mixed concrete depots. There is a possibility that the bagging plant may be reinstated to enable HCM to compete in the retail market. Some old-timers will be disappointed that the company has not been named Earle's Cement, but that particular brand name has probably been retained by Lafarge and in any case the new name needs to reflect the diversity of the new business. 200 new jobs will be created, of which around 100 will be head office staff. The site of the new head office has yet to be decided, and it may not necessarily be in this locality. Clearly, 100 new jobs in the Hope Valley would give a very welcome boost to the local economy and it is to be hoped that they will come here. So, for the first time in its 84 year history, Hope Works will become the engine and focus of an entirely independent new business, in control of its own destiny, within the framework of the Mittal group of companies. Mittal does not currently own any cement or aggregates companies. This is an entirely new field for them and a potentially invigorating prospect for the local economy. Chris Furness

"SHOULDER" CHARITY NEWS

The Charity night at the "Shoulder" on 17th November 2012 raised a massive **£1,800** for the Bluebell Wood children's cancer hospice and the Christmas Fayre on 24th November 2012 in aid of Prostate Cancer raised **£430**. Lynne and Gill would like to thank everyone for their fantastic support and donations.

BRADDA DADS

*** WIN A UNIQUE NECKLACE AND EARRINGS SET FOR YOUR VALENTINE ***

George Hempshall ('George the Jeweller' of the Hills) has very generously donated to Bradda Dads a 'one off' hand made solid silver necklace and earring set **worth hundreds of pounds**. With George's agreement we are holding a Valentines Raffle for the necklace with all proceeds going to Bradda Dads. Tickets are £1 each from the bread shop. The lucky winner will be drawn at the White Hart on Sat 4th Feb (details to follow). You can see the set at the bread shop or at: www.braddadads.blogspot.co.uk It comprises a matching suite of 9ct gold, oval sapphire and cubic zirconia pendant and stud earrings. The pendant is supported by an 18" 9ct gold, fine neck chain. We are very grateful to George.

PROPOSED NEWBURGH DEVELOPMENT

The village needs to be aware that Newburgh Engineering Company have now submitted to Peak Park the long awaited revision to their planning application for development of their Bradwell site. The revision has a number of changes from the original proposals and the Parish Council will be doing their best during January to bring everyone up to date with the new plans.

A summary of the proposals has been prepared which should help you understand the overall plan, but a detailed study of the plans is of course required for a complete understanding. The documents can be accessed on line at this link <http://pam.peakdistrict.gov.uk/?r=NP%2FDDD%2F1208%2F1089&q=1089&s=1137244> and the summary is as follows:

Numbers of Proposed Dwellings

2 bedroom houses	8
4 bedroom houses	45 (2 and 3 storey)
5 bedroom house	1
1 bedroom apartments	22
2 bedroom apartments	25
3 bedroom apartments	5
Cottages	6

Use Of Land

Industrial: Newburgh Engineering workshop 6 and the smaller adjacent unit is to be fully refurbished. This refurbishment will include hybrid units being erected within the existing envelopes for starter or small scale workshops or industrial business.

Hybrid office and retail: Hybrid office and retail spaces are proposed with apartments above. These units have been designed to be universal in use to allow for changing market conditions. The scale is important to reflect village demands. Aesthetically, the buildings will be similar to domestic dwellings to allude to a vernacular tradition of converting houses to commercial premises.

Food retail: Within the plan is a new improved and enlarged food retail unit. It sits on a prominent site at the junction of the

proposed development with Netherside Road. The food retailer requires floor space to allow an open plan arrangement for their merchandising. It is proposed to manage this within a hybrid building form, with retail at ground level and apartments on the upper floors.

Parking: Total parking space provided for the entire development is 390 vehicles, which is 61 less than DCC parking standards require. **Note:** only eight spaces have been allocated for the enlarged supermarket, even though it is expected to attract business from outside of the village.

Medical/Health Care: Newburgh House has been earmarked as an opportunity for enhancing health care at a local parish level to improve public access to healthcare facilities. It is currently envisaged that a new healthcare facility could comprise 2-3 GP consulting rooms together with several multi-function consultation spaces that could be used by other healthcare practitioners. The final occupancy would be determined by market demand, under the Planning Designation D1 (Non-Residential Institutions) which may possibly include other healthcare or non-health related uses that might include: opticians, chiropractors, physiotherapists, osteopaths, sports injury and massage, veterinary surgery, etc.

Planned Village Meetings

Although some of the dates have yet to be finalised, your Parish Council is working hard to get the word out to you and to give you an opportunity to participate. We only have until February to respond to the application. In addition to a Special Parish Council meeting on 8th January we are also planning the following village meetings:

Friday 18th January: Village Meeting at 7pm in the Methodist Hall to give residents sight of the plans and to allow Council to obtain feedback from the village.

Tuesday 29th January (date to be confirmed): Drop-in session, to be attended by Peak Park planning officers. This session will allow you to ask questions of PDNPA regarding the planning process and procedures which will be followed.
